FLIGHT SELECTION OF THE MONTH

DON JULIO TEQUILA FLIGHT

The agave for Don Julio's Tequila is grown in the highland area of Atotonilco on the family estate. Tequila's major aging process over time takes place in conjunction with the development of agave plants, given that they take seven years to reach maturity. Every agave plant is harvested by hand.

CHARDONNAY

Chablis is a region in Northern Burgundy. What makes wines from this region so different is that the Chardonnay wines are aged primarily in tanks or very well-used oak barrels. The lack of new wood reduces the vanilla, toffee, and sweet-“ish” flavors typically associated with Chardonnay. Chablis are wines with more flintily and leaner/greener fruit flavors.

ALTERNATIVE ITALIAN WHITES

A journey through the North of Italy, from the delicate almond aromas of the Arneis and the mineral notes of the Riesling, to the best expressions of the Pinot Grigio of the Alps, through the indigenous Garganega, that's loved for its lean dry style, that gains rich tangerine and toasted almond notes as it ages. The journey finishes with great many complex aromatics including Ruby Red grapefruit, rose petal, ginger and a smoky aroma similar to burnt incense of the gracious Gewürztraminer.

“*Super Tuscan*” is a term used to describe red wines from Tuscany that may include non-indigenous grapes, particularly Merlot, Cabernet Sauvignon, and Syrah.

Bolgheri is a relatively young yet prestigious Italian appellation located in the Maremma on the Tuscan coast. It is known mainly for deeply colored, supple yet age worthy red wines, usually based on the Bordeaux grape varieties.

ALTERNATIVE ITALIAN REDS

Different tastes from Italy, from the character of the fruity and polished on the palate, with no sharp edges, well-rounded, sinuous, and immensely drinkable Syrah, to the different expressions of Merlot, the muscular and elegant Sansonina, and the Montiano, full aristocratic roundness and softness, with elegant, agreeable and lingering flavours. And again, Montpulciano d'Abruzzo, known for its deep color, powerful tannins, and fairly high amount of acidity. With strong aromas and flavors, as hints of oregano, pepper, tobacco, and black fruits. And also, some of the Italian Cabernet Sauvignon, great alternatives to the US wines. Exotic, complex character, full bodied with polished tannins the Mazzei, and the "Rosso del Cont"e, a just concentration and elegance. On the palate it has harmonious tannins and richness, the finish of this wine from Sicily is long as his history. Rich of history is the noble wine "Vino Nobile di Montepulciano", a medium body wine, it offers primary flavors of cherry, plum, strawberry, and dark berries, with subtle notes of spice and earth.

SOUTH AMERICA

ARGENTINA

The majority of Argentina's vineyards are located at the base of the Andes Mountains, in an area with both ample sunshine and snowmelt for irrigation. These conditions result in plump, deep-colored wines of which Malbec is the most important variety. The results are often wines with savory flavors, dusty tannins, and layered black fruit.

CHILE

Chilean Cabernet Sauvignon and Bordeaux blends have a signature tart-and-fruity style. Medium- to full-bodied wines moderate acidity and flavors of black currant, fresh berry sauce, violets, chocolate, and graphite. The tartness comes from cool ocean breezes being pulled inland by the incredibly tall Andes Mountains.

MERLOT

Red fruits, easy tannins and a soft finish are the characteristics of Merlot wine. In the West Coast, because of the warm climate, Merlot wine is more fruit-forward and tannin is less prevalent. Some producers use judicious oak-treatment of up to 24 months to add their Merlot wine more structure.

CABERNET SAUVIGNON BLENDS | BORDEAUX BLENDS STYLE

Cabernet-Based Blends – Bold wines, deeply colored with balanced tannins, little acidity and flavors of blackberry and cassis, leather, little spices, toast, vanilla, and chocolate notes.

Bordeaux blends style - the warm, sunny climate is well suited to the Bordeaux grapes and the wines are usually made in a bold, fruit forward style.
